

TRUE SKY: CUSTOMER HIGHLIGHT

Community Living Agency

A NOT-FOR-PROFIT COMMUNITY LIVING AGENCY WHO MANAGED THEIR BUDGETS IN MICROSOFT EXCEL BEFORE SWITCHING TO TRUE SKY.

INITIAL CHALLENGES

- Completing financial and compensation budgeting for multiple cost centers with data from Sage 300 and ADP using Excel

THE SOLUTION

- True Sky Financial Model for GL-level budgeting and Compensation Model for salary planning/budgeting.
- Financial reports and dashboards in True Sky with both budget and actual data.
- A more informed and overall improved budgeting process due to quicker access to current actual results
- Increased participation and involvement in the budgeting and reporting processes from senior managers and directors
